Vijay Kumar Bhatti

Product Designer | Enterprise B2B | Fintech | AI-driven products

vijaybhatti1992@gmail.com · +9198730 84113 · LinkedIn · Portfolio Website · Gurugram, India

AI-driven Product Designer with **5 years of experience** specializing in UX/UI for **enterprise B2B, fintech, and AI applications**. Architect-turned-designer with a systems-thinking approach. Expert in multi-persona product design, interaction design, information architecture, user research, and integrating AI tools throughout the design process to accelerate delivery. Strong background in cross-functional collaboration and creating measurable business outcomes.

WORK EXPERIENCE

Coforge

Feb 2023 – Mar 2026 · Gurugram

Product Designer

- Designed multi-persona enterprise tools—risk incident management (ED&F Man) and travel expense management (Volcafe)—used by **3,000+ users across 14 countries**
- Reduced design handoff errors by **20%** and increased scalability by building and standardizing a comprehensive design system in Figma
- Accelerated stakeholder approval by **30%** by redesigning CRM and data management interfaces with improved information architecture
- Increased primary task completion by **45%** through comprehensive pre- and post-release usability testing and A/B testing
- Integrated AI tools (Figma Make, Claude, Midjourney) throughout design cycle to speed up Agile iterations

TrueFan

Oct 2022 – Jan 2023 · Gurugram

Product Designer
